

**Projects for 9/11 National Day of Service:**

<b>OPEN</b>	<b>United Way sponsored Hygiene Kits:</b> Work with United Way of King County to take the lead and organize a supply drive within your group of friends, church, or community group. Then assemble hygiene kits which are given to those experiencing homelessness at the 5 <sup>th</sup> Annual Community Resource Exchange at QWEST Field later in September.
<b>FULL</b>	<b>City of Renton Neighborhood Program:</b> Landscape and beautification of the Talbot Hill neighborhood sign.
<b>FULL</b>	<b>City of Renton Cedar River Trail:</b> Weed removal and clean up of viewing areas.
<b>FULL</b>	<b>City of Renton Storm Water Drain Project:</b> Marking storm water drains and distributing educational flyers to nearby neighborhoods.
<b>FULL</b>	<b>City of Renton Recycle Event:</b> Held at Renton Technical College, volunteers will help with a variety of tasks such as greeting residents, directing traffic, sorting plastics and helping unload wood and concrete.
<b>FULL</b>	<b>City of Renton Philip Arnold Park:</b> Removing invasive plants from the bank of outfield.
<b>FULL</b>	<b>City of Renton Thomas Teasdale Park:</b> Removing invasive plants from natural landscape islands, and general park beatification.
<b>FULL</b>	<b>Renton Housing Authority Hillcrest Terrace:</b> Maintenance of 60 units for seniors of low income. Painting: paint fence enclosures, dumpster enclosures, sheds and remove old address signs. Landscaping: pruning, removing overgrowth and invasive plants.
<b>FULL</b>	<b>King County Parks Cavanaugh Pond Natural Area:</b> Remove invasive plants to prepare the site for fall planting.
<b>FULL</b>	<b>King County Parks McGarvey/Spring Lake/Lake Desire:</b> Invasive plant removal, work on trail drainage, and possibly assist with trail bridge project.
<b>FULL</b>	<b>King County Parks Green House and Nursery:</b> Transplant nursery stock and sort through beds to prepare for fall planting. Moving dirt, planting, watering, weeding and more.

<b>FULL</b>	<b>King Conservation District Native Plant Nursery:</b> Weeding, planting, watering, and preparing plants for fall.
<b>FULL</b>	<b>Newcastle Trails Trail Maintenance:</b> Trail Grading and root removal- leveling trail areas where uneven.
<b>FULL</b>	<b>Volunteer Chore Services Residential Assistance for Elderly:</b> Exterior and interior house maintenance for unable elderly residents.
<b>FULL</b>	<b>King County Parks Petrovisky Park:</b> Remove invasive plants, and work on planting beds.
<b>FULL</b>	<b>King County Parks Skyway Park:</b> Remove invasive plants, planting in flower bed, and remove blackberries.
